Product code: PP-TELLTIME-BUMP-01 — Time Games Fun Pack,
the game companion to the Telling Time Worksheets Pack (Grades 1–3).

What you MAY do with this pack:

- Print the games as many times as you need for your own students, your classroom, your home, or your own business use.
- Sell or give away PRINTED copies, and include printed pages in books and printable products you create and sell.

What you may NOT do:

- Share, resell, or give away the digital PDF files themselves.
- Upload the files to any website, marketplace, or file-sharing service.
- Claim the games as your own original work.

Questions or support: puzzle-pout-talon@duck.com

All clock drawings in this pack are original, simplified teaching illustrations created for this product. The clocks in these games use the same times as the answer key at the back of this pack.

What's Inside

Everything in this pack is print-and-play. Cut along the dashed lines wherever you see them, and keep the cut-out pieces in an envelope so the games can be played again and again.

Clock Bingo — pages 4–15

12 different boards and a set of caller cards (pages 16–17).

Time Match Cards — pages 18–23

6 sets of cards: match each clock card to its digital time card.

Sort the Times — pages 24–29

6 cut-and-paste games: sort clock tiles into the right boxes.

Time Dominoes — pages 30–35

6 chain sets: match a digital time to the clock that shows it.

How to Play + Answer Key — pages 36–39

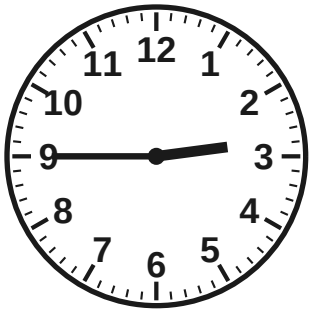

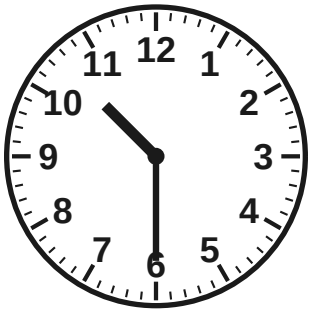

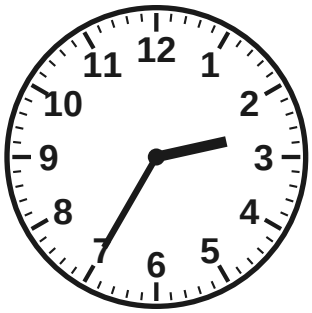

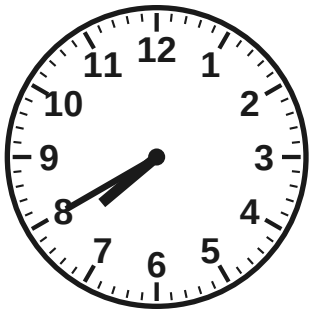

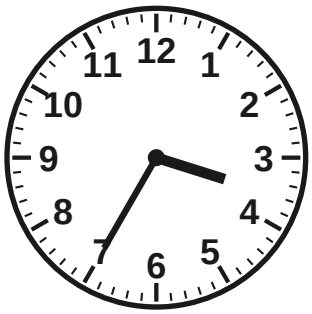

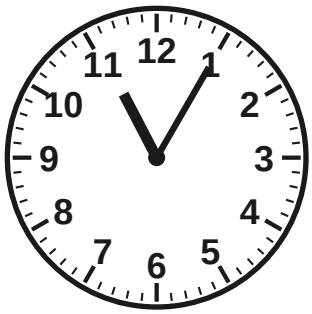

Full instructions for every game, plus all the answers.

You will need:

- Scissors and glue (for the cut-out games)
- Buttons, coins, or paper squares to use as bingo markers
- A pencil — and at least one player who loves clocks

How to Play

Instructions for every game in this pack.

Clock Bingo (pages 4–17)

Give every player one bingo board and a handful of markers. Shuffle the caller cards and put them face down. The caller draws one card at a time and reads the time out loud — first the words, then the numbers ("half past seven … 7:30"). Players who have that clock on their board cover it with a marker. The star in the middle is already covered. First player to cover a whole row — across, down, or diagonally — calls "Bingo!" and wins the round.

Time Match Cards (pages 18–23)

Cut out one set of cards (8 clock cards + 8 digital time cards). For a memory game, place all 16 cards face down and take turns flipping two: keep the pair when a clock card and a digital card show the same time. For a quick game, deal the digital cards out and race to claim the matching clock cards.

Sort the Times (pages 24–29)

Cut out the 8 clock tiles at the bottom of the page. Look at the minute hand of each tile: if it points at the 12, the time is o'clock; at the 3 it is quarter past; at the 6, half past; at the 9, quarter to. Glue each tile into the box with the matching label. Two tiles belong in every box.

Time Dominoes (pages 30–35)

Cut out one set of 8 dominoes and deal them out, or lay them all face up for a group puzzle. Play a domino by matching its digital time to a clock showing the same time on a domino already in the chain — or the other way round. Every set forms one closed loop, so a finished chain has no loose ends.

Answer Key — Time Match Cards

Each clock card (C) pairs with one digital card (D). The time is shown in brackets.
